<p><b>Abstract dei contenuti formativi/informativi del webinar</b></p>	<p><i>Cosa possiamo fare per migliorare la reading fluency e incoraggiare i nostri studenti a leggere di più? In questo webinar saranno proposte idee pratiche e attività per introdurre la lettura estensiva nella didattica CLIL.</i></p> <p>What can we do to improve students reading fluency and encourage our students to read more? In this webinar we will examine practical ideas and activities to introduce Extensive Reading and CLIL into the classroom.</p>
<p><b>Obiettivi formativi/informativi</b></p>	<p><i>Molti insegnanti si chiedono come poter incoraggiare gli studenti a leggere di più e più spesso e come poter valutare le reading skills. In questo webinar si suggeriranno alcune idee e attività pratiche per incoraggiare gli studenti a leggere e per valutare la lettura estensiva e monitorare la comprensione degli studenti. Verranno anche illustrate idee e attività per implementare la lettura estensiva in classe, integrandola all'interno della didattica CLIL. Si cercherà di dimostrare come l'Extensive Reading possa contribuire a sviluppare le reading skills fondamentali per affrontare l'esame di stato, le certificazioni internazionali o le prove INVALSI. Durante il webinar saranno suggerite attività di ascolto, scrittura e interazione orale finalizzate allo sviluppo delle competenze linguistiche in inglese.</i></p> <p>Many teachers ask how they can encourage students to read or to read more and more frequently. Teachers also ask how they can evaluate and assess students reading. In this webinar the speaker will suggest some ideas and activities for encouraging students to read and also some suggestions on how to evaluate Extensive Reading and monitor students understanding. The speaker will also illustrate ideas and activities for implementing Extensive reading in the classroom and also</p>

	<p>how to use Extensive Reading as a springboard for communication and integrating Extensive Reading and CLIL. It will also detail how Extensive Reading can help build reading fluency and help students acquire the reading skills they need for State Exam, International Certification or INVALSI. Extensive Reading can also help develop other language skills: Listening, Writing and Speaking and activities to support these skills will be suggested during the webinar.</p>
